SUPPLEMENTARY INFORMATION:

I. Does this Action Apply to Me?

The Agency included in the final rule a list of those who may be potentially affected by this action.

II. What Does this Technical Correction Do?

The preamble for FR Doc. 2012-25548 published in the **Federal Register** issue of Wednesday, October 17, 2012 (77 FR 63745) (FRL-9364-9) is corrected as follows: On page 63750, third column, under Unit IV. D., *Revisions to Petitioned-for Tolerances*, in the second paragraph, correct the last word in the paragraph, which now reads “Logan” to read “Longan.”

III. Why is this Correction Issued as a Final Rule?

Section 553 of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)(3)(B)) provides that, when an agency for good cause finds that notice and public procedure are impracticable, unnecessary, or contrary to the public interest, the agency may issue a final rule without providing notice and an opportunity for public comment. EPA has determined that there is good cause for making this technical correction final without prior proposal and opportunity for comment, because it is a typographical error only. EPA finds that this constitutes good cause under 5 U.S.C. 553(b)(3)(B).

IV. Do Any of the Statutory and Executive Order Reviews Apply to this Action?

This technical correction only revises the spelling of one commodity and does not otherwise change the original final rule. As a technical correction, this action is not subject to the statutory and executive order review requirements. For information about the statutory and executive order review requirements as they relate to the final rule, see Unit VI. in the **Federal Register** of October 17, 2012 (77 FR 63745) (FRL-9364-9).

V. Congressional Review Act

Pursuant to the Congressional Review Act (5 U.S.C. 801 *et seq.*), EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. This action is not a “major rule” as defined by 5 U.S.C. 804(2).
